

Ocular Disease Residency

Doris Miller Veterans Affairs Medical Center &
The UIW Rosenberg School of Optometry

Learn the art & science of full scope Medical Optometry.

◇ Clinical Confidence ◇ Turn Knowledge into Patient Care ◇ Scholarly Engagement ◇

Join an ACOE Accredited program based in Waco, Texas providing advanced clinical training in service to our Nation's Veterans. We emphasize the Resident's own management of ocular disease. This allows the resident to gain a high level of clinical expertise.
