Federal regulations regarding the use of Title IV financial aid funds awarded to students provide that an institution may directly credit Title IV awards to a student's account at the institution to satisfy current charges for tuition, fees, and room/board if the student contracts with the school. Title IV funds include: Pell grant, SEOG (Supplemental Education Opportunity Grant), TEACH grant, Iraq/Afghanistan Service grant, Subsidized and Unsubsidized Direct loans, Perkins loan, Direct Parent/Graduate PLUS loans.

Charges other than tuition/fees/room/board cannot be paid with Title IV funds without the student's authorization. This form is only to determine the student's agreement to allow Title IV aid to cover these additional charges or the preference to pay them out of pocket.

Health insurance will be charged to any full-time main campus student's account during their initial semester at UIW and every Fall semester that follows. If the student is covered under other health insurance, they may waive the coverage at *www.sas-mn.com* before the semester deadline (published by the Business Office).

Book Store Credit

Parking/Library Fines

Parking/library fines will appear on the student's bill. Fines cannot be paid with Title IV funds without student authorization.
