2

BE PROFESSIONAL & INTENTIONAL

Dress professionally and be respectful to all persons you interact with at the program. First impressions count!

3

PRACTICE MAKES PROGRESS

Research the program and be prepared to discuss why you want to attend UIWRSO. Participate in mock interviews to help feel more confident discussing your interest in the optometric profession and future career goals.

4

A POSITIVE START AND FINISH

Be ready to introduce yourself in 3 minutes or less. Highlight the primary undergraduate/graduate institution attended, major and why you are interested in Optometry. Have a few questions prepared to ask your interviewer at the end.

5
